Chicago, Oct. 4.—Jimmy Ring, by pitching phenomenal ball today, held the White Sox scoreless while his teammates, profiting by the home club's errors, amassed two runs and won the fourth game of the World's Series, by a score of 2 to 0. PHONES MUST GO BACK TO OLD RATE

Council Again Refuses To Permit
Company To Continue
War-Time Rate Increases

After a lengthy discussion of the telephone situation in Richmond at the special meeting of the City Council Friday night, the council voted 4 to 1, to refuse to permit the Cumberland Telephone and Telegraph Company to continue the war-time rates, after December 1st. This means that the present increased rates must be reduced back to what they were before the war, after that date.

City Attorney J. P. Charnault, who was a member of the investigating committee sent to look into the books of the phone company, was ill, and could not be present. The other two members of the special committee did not agree in their reports. Councilman O'Neil recommended that the phone rates be reduced. Councilman C. B. Terrill said that the company's books showed that it is losing about 1 per cent a year on its investment here, and he felt that it should be entitled to make a reasonable profit on its investment.

Attorney J. J. Greenleaf, representing the telephone company, went over the situation from the company's standpoint, and claimed that the company is entitled to make 6 per cent on its investment of about \$12,000 in Richmond. He said that the company only wanted a fair deal, such as any other business enterprise. Councilman Robert Golden said he understood that the company was to make improvements in the service in Richmond, but he could not see where the company had spent any money for improvements or material, during the time it was claimed that higher prices for materials and supplies made the increased rates necessary.

The arguments were rather extended, and covered much ground but the majority of the council could not be convinced that the company is entitled to increased rates with the present sort of service, so voted 4 to 1 as follows: against the increase, Councilman Golden, Mereson, Allman O'Neil; for the increase, Councilman Terrill. Councilman Powell was not present.

WILSON BETTER

Washington, October 4.—President Wilson had a somewhat better night White House officials said this morning.
Dr. Grayson's bulletin issued at 10:50 o'clock said the President's condition is more favorable. His temperature and pulse are normal and the patient is said to be cheerful, although becoming somewhat restless. Dr. Dercum, neurologist, and Dr. De Schweinitz, eye specialist, both of Philadelphia, who have been assisting Dr. Grayson, were to have a consultation here today with Grayson, and other attending physicians.

ONLY \$2,500 NEEDED FOR WHITE WAY

Only about \$2,500 more is needed to assure the White Way for Richmond, according to a statement made at the special meeting of the City Council Friday evening by Mr. McLellan, of the Kentucky Utilities Company. He has been canvassing the situation here this week, and said that he had met with a liberal response from a majority of the business men of the city. He felt that a strong local committee might be able to make up the balance of the amount required, which is \$7,500, with which to purchase iron posts and lights. The council voted for appointment of special committees by the Mayor to do further soliciting for subscriptions.

Richmond rans who attended the world's series base ball games in Cincinnati this week, had opportunity to see the exact type of light which is proposed to be placed on the streets here, on a number of Cincinnati's main business thoroughfares. All were greatly impressed with the splendid lighting facilities that they afford. Stores and business houses are lighted in a way which attracts attention, and provides a splendid advertisement for the streets using them as well as the city. The two standards in front of the Kentucky Utilities Company's office here on Second street when lighted up each evening, show what may be expected when the system is installed up and down Main street.

CITIZENS GUARDS

Are Being Formed In England
During Railroads Men's Strike

London, Oct. 4.—Premier Lloyd George's appeal for the formation of "citizen guards" throughout the country in the emergency caused by the railroad strike and its possible spread has met with prompt response on all sides. Today the Lord Mayor of London lost no time in complying with the request and his example was followed the country over. The guards will assist the police in protecting citizens engaged in maintenance of food and otherwise preserve order. Meanwhile the strike situation has developed no new features since the breach last night when the railway men rejected the government's offer of arbitration and seven days' truce.

HIGH SCHOOL TO MOVE TO ITS NEW HOME

Monday Will Be "Leaving Day"
At Caldwell—Madison High
Will Begin Work

Monday October 6th will be "Leaving Day" at the Caldwell High School. Caldwell High School has been an institution in the city's life for years. The 10:30 a. m. chimes will ring out its life and ring in the life of the new Madison High School. While Caldwell goes into history as a high school yet the institution is not dead. It will live in the hearts of those who drank wisdom at its fountains. It will be remembered by those who were awakened in its halls by the call of ambition. Its memory will always be sweet to those who look back with pleasure upon the romances of youth.

As Caldwell retires from the stage, Madison makes her debut. While many will experience a tinge of regret at the passing of Caldwell, yet it is to be hoped that the birth of the Madison High School will mean the dawn of a much greater day in the educational life of Richmond. It is to be hoped that Madison will not only be a high school for Richmond, but for all of Madison county and that the boys and girls of the remotest districts will flock to it as doves to their windows. It is hoped that its courses of study will meet the demands of the age; that they will be practical and will offer knowledge that will function in the adult lives of the pupils; that the courses of study will keep in tune with the changing conditions of modern life. It is to be hoped that the Madison High School will be known for its splendid high school spirit; that the high school life will be attractive and pleasant; that the literary societies will encourage literary attainment; that the new gymnasium and the spacious athletic field will offer wholesome and stimulating athletics. Vive la Madison High School. May it grow and prosper, blossom and fructify and be the mecca of delight for the youth of our homes.

Monday morning at 10:30 at the Caldwell building the formal leave-taking of the old quarters will be held. High school students will represent their classes with speeches on this occasion. Mr. Robert Malloy will speak for the Seniors. The Juniors will be represented by Miss Ray Stocker. All will be delighted to listen to Mr. Lafon Wilson, who is the chosen one for the Sophomores. The Freshmen will have Miss Louise Spears as their representative. The public is cordially invited and requested to be present on this occasion. Principal D. H. Starus will have something to say that will be especially interesting to the patrons. At 10:30 Monday morning at Caldwell.—Contributed.

BIG CONGREGATION HEARS DR. VIOLETTE

The largest audience yet to hear Dr. Violette assembled in the Christian church last night as he discussed, "The Worst Thing in Richmond." Mr. Violette interpreted his theme by holding that sin was the worst thing in Richmond. The message was a heart searching one and was heard by the large audience with the greatest interest. The congregation singing, led by the chorus under Mr. Violette's direction and featured by a solo from Miss Metcalf reached its high water mark last night.

Tonight the subject will be, "Why I Accepted Christ as Divine". The Sunday services will be at 10:45 at which time Dr. Violette will speak on "The Unchanging Christ" and at 7:30 when he will use as his subject, "What is a Christian". At 9:45 he will speak to Turley's men and at 10:10 to the whole Bible school on some feature of Palestine Travel. This address will come at the close of the Promotion Day services in the school in which the annual advancement of students will take place.

There were many visitors in the audience from other towns and sections of the county. A large number of out of town people are expected to be in the audience tomorrow and the meeting will probably reach its high water mark in the Sunday services.

Caught With Gun On

In county court Labe Pendleton, of the Big Hill section, entered a plea of guilty to a warrant charging him with carrying concealed a deadly weapon. He was fined \$50 and given ten days in jail. He asked for a new trial on the ground that he was not represented by counsel and is under \$100 bond.

Friends will regret to learn of the illness of Mrs. K. G. Wiggins, who has been confined to her room for the past few days. Her condition at noon today was somewhat better.
